Rank

3                      2                      5                      6                      1                      7                      4

#### "Results" Explained

Each series is scored out of **40** points

If the series leader/winner is predicted correctly, **20** points are awarded, and the word "Right!" appears

Up to **20** more points are awarded for how close the predicted score is to the actual series score
